To Whom It May Concern:

Recently I had the pleasure of working with Bounce Boot Camp as they provided the finale for our week long Fit Kids Summer Camp. I worked directly with the Bounce Boot Camp Founder, Thomas Hill. His enthusiasm and commitment to kids is clear with his willingness to bring Bounce Boot Camp equipment and staff 2 hours north to Flagstaff for an activity filled afternoon!

His staff showed organization and commitment to safety with thorough instruction to our kids. When the Fit Kids Summer Camp participants arrived, the energy level of Bounce Boot Camp staff was contagious. Our campers had already been swimming for 3 hours but were still eager to start the Bounce Boot Camp adventure. All staff members were engaging, positive and encouraging; which resulted in an enjoyable and active experience for all campers.

I would highly recommend Bounce Boot Camp for any age. Their program would be an adventure, where every participant is guaranteed a positive and motivating end result. I look forward to working with this outstanding team again!

Sincerely,
